

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF DELTA)	CASE NO. 90-342-O
NATURAL GAS COMPANY, INC.)	

O R D E R

On May 23, 1991, in Case No. 90-342, the Commission approved certain adjusted rates for Delta Natural Gas Company, Inc. ("Delta") and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On December 29, 1994, Delta filed its GCA to be effective from February 1, 1995 to May 1, 1995.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Delta's notice proposed revised rates designed to pass on its expected decreased wholesale gas costs to its customers. Delta's proposed expected gas cost is \$2.8588 per Mcf, excluding take-or-pay billings.

Delta's notice set out a take-or-pay recovery component of .07 cent per Mcf. Delta should be prepared to support its take-or-pay actual adjustments at the time of its GCA field reviews.

2. Delta's notice set out a current quarter refund adjustment of .55 cent per Mcf to return \$23,719 in supplier refunds, including interest, to its customers. The total refund adjustment of 9.08 cents per Mcf reflects the current and previous quarter adjustments.

3. Delta's notice set out a current quarter actual adjustment of 8.30 cents per Mcf to recoup under-recovered gas cost from August, September and October 1994. The proposed total actual adjustment of 43.94 cents per Mcf reflects the current under-collection as well as under- and over-collections from three previous quarters.

4. Delta's notice set out a balance adjustment of (.67) cent per Mcf. This balance adjustment compensates for net over-collections which occurred as a result of previous adjustments.

5. These adjustments produce a gas cost recovery rate ("GCR") of \$3.2014 per Mcf, 46.54 cents per Mcf less than its previous GCR.

6. Delta's rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be approved for final meter readings on and after February 1, 1995.

7. Delta requested confidentiality for Schedule VI, which contains business information required by the Commission pertaining to Delta's subsidiaries. Delta Resources, Inc. and Delgasco engage in unregulated, competitive activities. Competitors of these subsidiaries could use business information of these subsidiaries to place themselves in an advantageous position vis-a-vis the

subsidiaries and Delta. Thus, disclosure of the information is likely to cause Delta and these subsidiaries competitive injury and should be protected.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable, and are effective for final meter readings on and after February 1, 1995.

2. Within 30 days of the date of this Order, Delta shall file with this Commission its revised tariffs setting out the rates authorized herein.

3. Schedule VI, which Delta has petitioned to be withheld from public disclosure, shall be held and retained by this Commission as confidential and shall not be open for public inspection.

Done at Frankfort, Kentucky, this 31st day of January, 1995.
